November 4, 2019

To Whom It May Concern:

Mater Plant-Prod Inc. (MPPI) certifies that all brands of Plant-Prod® water soluble fertilizers, supplements and micronutrients comply with the federal *Fertilizers Act* and *Regulations* as set out and administered by the Canadian Food Inspection Agency (CFIA).

MPPI conducts additional testing on all Plant-Prod MJ™ products, and provides Certificates of Analysis (CoA) for each batch. C of A's are available 15 business days following the production of each batch. Heavy metal content testing is conducted randomly throughout the yearly production cycle. Frequency is dependent on production, with a minimum of once per year.

Heavy metals tested for are as follows:

Arsenic (As)	Mercury (Hg)	Thallium (Tl)
Cadmium (Cd)	Molybdenum (Mo)	Vanadium (V)
Chromium (Cr)	Nickel (Ni)	Zinc (Zn)
Cobalt (Co)	Lead (Pb)	
Copper (Cu)	Selenium (Se)	

MPPI certifies that Plant-Prod® water soluble fertilizer blends, supplements and micronutrients are not manufactured, represented or distributed as Pest Control Products. No raw materials used in the manufacturing of these products have a Registration Number under the *Pest Control Products Act*.

Sincerely,

Faranak.Razmavar
